DECORATIVE HARDWARE

The decorative hardware from Garaga reproduces the effect of forged iron hinges and handles found on traditional carriage house doors. It adds a touch of refinement that has maintained its charm over the years.

OPTIONS

Take your Belisle overhead garage door to another level. Add Wood jambs, weather-stripping cover to match the door, and decorative mouldings around the panels. We can even pre-finish your door prior to assembly in our state of the art paint shop.
